

Project Title: Big Data and Empirical Conferences Grant Project Start Date: Sun, 10/09/2017 Project End Date: Mon, 31/07/2023

Project Abstract: This grant supports conferences on empirical finance and big data.

Activities and Achievement: We are setting a date in May of 2023 for our final conference in this series, although it is not quite finalized yet. We hope to host it at Trinity College and invite 4 speakers from around the world to present their work along with local and national contributors.

Dissemination: n/a

Outputs: n/a

Major Difficulties and Any Other Issues: n/a Web Links:

As soon as the web page for the conference is ready, we will inform CERF. CERF will be co-sponsor.

Optional - detailed findings and output:

Additional Information: The grant started on 1st September but the system only allowed a start date of 10th September.

Declaration: This award has not yet produced any relevant outputs, but details of any future publications will be submitted to the CERF database as soon as they become available.
