Project Abstract

This was to host the annual FM Writer's Workshop here in Cambridge in June every year. This is a unique workshop. It is targeted towards junior faculty who have not received tenure. Basically, the editors of FM (Marc Lipson and myself) pick 6-8 papers (out of 30 received last year) and invite senior faculty who work with the juniors one on one to rewrite their papers and help them prepare for submission.

Activities and Achievement

This was a very successful meeting with 7 junior participants and 7 senior faculty offering detailed comments on the papers and helping the candidates rewrite their papers.
